Work Distribution

- Group: Discussion and research on the possible wireframe design, decided on contents
- Anukaran : Did half of the wireframe design on paper, presented in the class, partially did the proposal.
- Tek: Did half of the wireframe design on paper, prepared the PPT, took part in presentation addressing the answers to the questions asked during presentation, completed the remaining portion of the proposal.
- Mehdi: Created Wireframe using AdobeXD, took part in presentation addressing the answers to the questions asked during presentation, did the final review of the proposal making necessary changes in need.

Suggestions Received From GAs

- Having the menus on the left side. Instead of the center.
- Using the top part too for more info such as notifications, a bell icon, .. etc.
